

Dear Potential Sponsor,

On behalf of the members of Oldham-Cummings Post #6441, Veterans of Foreign Wars of the United States (VFW), we invite you to sponsor our 76th Annual VFW 4th of July- Independence Day Rodeo in Wimberley, Texas. This year the Rodeo will be held on Friday (July 1st), Saturday (July 2nd), and Sunday (July 3rd). This year our rodeo is dedicated to the memory of our late Commander John Thompson who passed away on April 25. While John was truly devoted to this post and to its work in the community, the annual July 4th rodeo was his favorite project. This one's for you, John.

The members of Post 6441 and our Auxiliary have strived through the years to bring only the very best in family entertainment to the community. We've done it again this year with the Cowboy Professional Rodeo Association-sanctioned rodeo put on by rodeo producer Bo Davis and DVS Productions from Gonzales. Five-time CPRA announcer of the year Creed Roberts is back along with Pro Rodeo and Rodeo Clown Hall of Fame inductee, Blanco's own, Leon Coffee. Between Roberts and Coffee, there are no slow spots in the rodeo. Don't forget the Lone Star Cowgirls precision riding team with their patriotic program to kick off the rodeo each night.

Please find the attached copy of our Rodeo Fact Sheet which provides detailed event information. Also included is a copy of the breakout of sponsorship categories for you to review and determine the level of participation that works best for you. To secure your sponsorship you will need to respond with a check, credit card or invoice request before Wednesday, June 15th.

If you can't respond by June 15th, we may still have a limited number of events you can sponsor but your prompt response using the enclosed sponsorship form will still be very helpful. In addition to paying now by check or credit card, you may simply commit to your sponsorship level now and we will send you an invoice before June 15th. Your sponsorship donation is tax deductible.

As a reminder, the proceeds of our Rodeo are used to support a variety of VFW programs as well as community organizations and activities. This is the one and only time of year that we ask for financial support.

If this is acceptable, please notify Huey Sandifer via email at: hueysand@gmail.com or call me at 512-667-0647

Sincerely,

Manuel Grafia,
Commander

and

Huey Sandifer
Commander-elect and Rodeo Chairman
